

**Thursday, August 25, 2011**

**SEA-WI Meeting Featuring  
Engineers Without Borders**

**Haiti Engineering and  
Construction Project**

**Brad Hughes, P.E.**

**Flad Architects**

Brad Hughes has volunteered with Engineers Without Borders (EWB) for two years and has been involved with projects in Haiti and Honduras. This presentation will discuss a recent trip to Haiti with students from the University of Wisconsin-Madison to oversee the construction of a concrete irrigation canal bridge.

**Ghana School Design and  
Haiti Post-Earthquake  
Assessment**

**Bob Steckel, P.E., S.E.**

**Ambrose Engineering, Inc.**

Bob Steckel has served as a student liaison and mentor for the University of Wisconsin-Platteville EWB student chapter for the last year and a half. While involved with EWB, he has participated in a new school project in Ghana, Africa and performed a post-earthquake assessment in Jeanette, Haiti. The presentation will show the design and pre-implementation of the school project and a review the post-earthquake report.
